GREETING

Greeting

PRESIDENT
Y.K.CHO.

BEST PARTNER IT'S THE BEST IN THE WORLD

After foundation at 1984,

We were focused on precision press forming tool & manufacturing

Specially, we were manufacturing Automotive Application component.

Relay & Micro Switch parts are our main product.

Complexed assembly progressive tooling is our main technologies.

For customers satisfaction,
We extends our business for module manufacturing.

We will continue development for the best
